A Legacy of Service

For 80 years, Thorson Heating and Air Conditioning has been making homes and businesses more comfortable across the Sioux Empire. Owner Jackie Sorensen is the 3rd generation owner and was the first woman to graduate from the Southeast Technical Institute HVAC/R program.

A family-owned company, we take pride in our work and provide the very best in customer service and value. Our services include:

- Forced-air heating and cooling
- Ductless mini-splits
- Garage and shop unit heaters
- Indoor air quality
- Water heaters
- Annual maintenance program
- Flexible financing
- Repair services

Iconic quality you can trust. That's what you get when you install a Coleman® heating and cooling system in your home. For over 100 years, the Coleman® name has been synonymous with world-renowned quality and comfort. Coleman® equipment are rigorously tested and built to the highest standards. Backed by industry-leading warranties, you can trust your home comfort to Coleman®.

Thorson Heating and Air Conditioning is proud to be a Coleman® Certified Comfort Expert, an elite level of contractor with a factory-backed 100% Satisfaction Guarantee.

Preventative Maintenance Program

You have enough to worry about in life. Enroll in our Preventative Maintenance Program and enjoy worry-free total home comfort. Our programs ensure your home's heating and cooling system runs efficiently and reliably all-year long. Our program includes:

- Two annual visits
- Reminder service, automatic scheduling
- 1-year warranty
- 24-hour response time
- No overtime fees
- Monthly or annual payment option
- 10% off parts and labor
- 20+ point inspection:
 - 29 point air conditioner inspection
 - 23 point furnace inspection
 - Component testing for predictive part failure, capacitors, motor Amps, safety controls, temp.

Talk to one of our comfort advisors for complete information on our Preventative Maintenance Program.

More than just comfort for your home! Ever wish you had heating in your garage or shop? Talk to us about a Reznor unit heater! Gas-fired and ceiling mounted, these reliable units can help keep your garage or shop comfortable all winter long.

Ask about supplemental heating and cooling for your home. Have a room in your house that is never comfortable? Ask us about single-zone or multi-zone ductless systems and zoning for a solution!
